

Please do not allow LPFM stations to take priority over current FM translator service. We listen to K-LOVE on 88.1 in Nebraska. The station provides our family and community positive encouragement and keeps God the center of our focus. If K-LOVE is replaced, it will have a severe detrimental effect on our community and nation as a whole. K-LOVE is one of the only stations that brings a positive message and truth to a country that confused and full of turmoil. We respectfully request you do not make changes. Thank you.
